

INDEX

- ABDOMINAL tuberculosis in children, 250
 ADDINGTON SYMONDS and Davos, 9
 Adenoids, 77
 — in tuberculosis, 211
 ADMINISTRATIVE control of pulmonary
 phthisis in Scotland, 29
 — measures in Australia, 116
 ADVANTAGES, of a colony sanatorium
 (Walther, O.), 307
 AERATED waters, preparation of, 189
 AFTER-CARE of tuberculous poor, 23
 ALBUMINURIA and tuberculosis, 51
 ALCOHOL problem, 331
 — and tuberculosis, 40
 ALCOHOLISM, 178
 ALEXANDRIA, tuberculosis in, 238
 ALGIERS, climate of, 48
 Allbutt, Prof. C., the study of tuberculosis
 — a retrospect, 5
 ALPS for consumptives, 7
 ALTADORE sanatorium, 123
 AMERICA, abdominal tuberculosis in, 250
 — tuberculosis in, 193
 AMERICAN National Association for Study
 and Prevention of Tuberculosis, 196
 AMHERST Hospital, 120
 AMUSEMENTS for tuberculous patients, 100
 ANDES, climate of, 50
 ANTISEPTICS, use of, 274
 ANTI-TUBERCULOSIS campaign, pioneers
 of, 103
 — measures in Ireland, 37
 — in Norway, 288
 — methods for the protection of the
 children of the poor (Sykes, J. F. J.),
 234
 — movement in Denmark, 108
 — in Ireland, 121
 — journals of, 195
 — in United States, 193
 — organization, 17
 APPLIANCES for open-air life, 273
 ARCAÇON, climate of, 51
 ARCO, climate of, 51
 Armstrong, W. G., the control of tubercu-
 losis in Australia, 115
 AROSA, climate of, 50
 ARREST of tuberculosis, 43
 Ashby, H., hygiene of the nursery, 212
 ASSOAN as health resort, 50
 Atkinson, S. B., prevention and control of
 consumption in East London, 129
 ATTITUDE, of New Zealand towards con-
 sumption (Mason, J. M.), 281
 AUSTIN Hospital for Incurables, 120
 AUSTRALIA, tuberculosis in, 115
 — tuberculous death-rate of, 115
 AZORES, climate of, 48
 BABIES, open-air treatment of, 350
 BACTERIOLOGICAL laboratories, 21
 Baginski, A., measures employed in Ger-
 many for the prevention and treat-
 ment of tuberculosis in children, 197
 Ballantyne, J. W., pre-natal life and tuber-
 culosis, 210
 BANG, Prof. B., on tuberculosis in cattle,
 113
 BARRASSFORD Sanatorium, 137, 328
 Barwell, H., tuberculous affections of the
 larynx in children, 220
 Beattie, Prof. J. M., channels of infection
 for tubercle in children, 211
 BEDROOM disease, tuberculosis as, 208
 BEDROOMS in sanatoria, 295, 298
 BEDS for tuberculous children, 105
 BELFAST Board of Guardians, 38
 — Poor Law Infirmary Sanatorium, 123
 BELLEFIELD Sanatorium, 34, 132
 BENENDEN Sanatorium, 102, 303
 BENNET, H., and Mentone, 7
 BERANECK's tuberculin, 14
 Bie, V., and Maar, V., the campaign
 against tuberculosis in Denmark, 107
 Biggs, H. M., prevention and control of
 consumption in New York, 125
 BLACKBURN, tuberculosis in school chil-
 dren of, 105
 — tuberculous children in, 227
 BLACK Forest for consumptives, 44
 BLACKPOOL, local action in, 138
 BLOOD in pulmonary tuberculosis, 262
 BODINGTON and open-air treatment, 103,
 176
 BONALY Cottage Sanatorium, 34
 BOOKS, reviews, and notices of, 69, 176,
 261, 331
 BOSTON Association for the Relief and
 Control of Tuberculosis, 194
 BOTZEN, climate of, 51
 BOURNEMOUTH as a health station, 51
 BOVINE tuberculosis, 33, 104
 — in Denmark, 113
 — in Norway, 292
 BRADFORD City Guild of Help, 137
 — local action in, 136
 BRAIN, tubercle of, 223
 Bramwell, B., care and control of con-
 sumptive poor in Scotland, 27
 BREHMER, method of, 10

- BRIDGE of Weir Consumptive Homes, 132
 — — Sanatorium for Children, 34, 206
 BROMPTON Hospital Sanatorium, 62
 BRONCHIAL glands, tuberculosis of, 212
 BRONCHITIS, climates for, 51
Brunton, Sir L., on tuberculosis and national efficiency, 41
 BUTTER, tuberculous, 33
 — and tuberculous milk, 104
Byers, Sir J., the prevention of tuberculosis among children in Ireland, 202
- CAIRO, tuberculosis in, 238
 CALCIUM chloride for hæmoptysis, 55
 CAMPAIGN against tuberculosis in Denmark (Bie, V., and Maar, V.), 107
Campbell, H., exercise in the prevention and treatment of tuberculosis in children, 231
 CAMPING, 340
 CANADA, sanatoria in, 74
 CANADIAN Association for Prevention of Consumption, 186
 CANARIES, climate of, 48
 CANCER, elimination of, 180
 CARAVANNING, 340
 CARDIO-VASCULAR disease, 80
 CARE and control of consumptive poor, 20
 — — in England and Wales (Powell, Sir R. D.), 20
 — — in Ireland (Moore, Sir J. W.), 35
 — — — in Scotland (Bramwell, B.), 27
 — — of incurable consumptive poor, 105
Carling, E., cottage sanatoria, 309
Carrington, P. M., and Ross, Thomas J., tent-house sanatoria, 311
 CATTLE, tuberculous, 33, 104
 CÆLUS and Mediterranean voyages, 53
 CENTRAL International Bureau for Prevention of Consumption, 158
 CERVICAL glands, tuberculosis of, 212
 "CHÂLET" type of sanatorium, 300
Chalmers, A. K., prevention and control of consumption in Glasgow, 131
 CHANNELS of infection for tubercle in children (Beattie, J. M.), 211
 CHAPEL of King's Sanatorium, 61
 CHARITY Organization Society, 106
 CHARLOTTENBURG forest school, 105, 201
 CHILD, care of the, 266
 CHILDHOOD, management of, 336
 — tuberculosis in, 191, 318
 CHILD life and tuberculosis, 207
 CHILDREN and tuberculosis in elementary schools, 225
 — and tuberculous lesions of upper air-passages, 219
 — channels of infection for tubercle in, 211
 — "closed" tuberculosis in, 23
 — infection of, 211
 — marine sanatoria for, 290
 — ocular tuberculosis in, 223
 — open-air schools for, 352
- CHILDREN, sanatoria for, 105
 — tuberculosis in, 213, 239
 — — of larynx in, 220
 — — of nervous structures in, 222
 — — of skin in, 218
 — tuberculous bone and joint disease among, 214
 — — cardio-vascular affections in, 221
 — — glands in, 217
 CHILDREN'S Home and Orphanage, 254
 — Sanatorium, Holt, 258
 — seaside hospitals in Denmark, 111
 CHOROID, tuberculosis of, 224
 CHRISTIANIA Sanatorium, 292
 CIRCULAR of Scotch Local Government Board, 29
 CIVILIZATION and consumption, 72
 — and tuberculosis (Huber, J. B.), 156
 CLASSIFICATION of climates, 47
 CLAVADEL Sanatorium, 327
 CLIMATE as a factor in the treatment of tuberculosis (Weber, Sir H.), 46
 CLIMATES and constitution of patients, 51
 CLIMATOLOGY, principles of, 75
 — of tuberculosis, 46
 CLINICAL manifestations of laryngeal tuberculosis (Milligan, W.), 140
 CLONMEL, movement for sanatorium at, 38
 "CLOSED" tuberculosis in children, 23
 CLOTHING for the tuberculous, 96
 COAST stations of Great Britain and Ireland, 48
 COHNHEIM and tuberculosis infection, 11
 COLLECTION and disposal of sputum, 93
 COLLEGES and tuberculosis, 248
 COLONIES for the tuberculous, 19
 COLORADO Springs, climate of, 50
 COMBAT with consumption—a contrast (Wilks, Sir S.), 52
 COMMON cold, pathology of, 76
 COMPARATIVE medicine, 181
 COMPULSORY notification of consumption for Ireland, 39
 — — of phthisis, 18, 31
 CONDITIONS, of infection by tubercle (Ransome, A.), 322
 CONGRÈS International des Gouttes de Lait, 1907, 280
 CONGRESSES on tuberculosis, 351
 CONJUNCTIVA, tuberculosis of, 224
 CONSTRUCTION of sanatoria, 294
 CONSUMPTION, administrative control of, 184
 — and civilization, 72
 — home treatment of, 73
 — popular study of, 333
 — sanatoria for, 3
 CONSUMPTIVE children in America, 194
 — — sanatorium for, 102
 — control of the, 25
 — poor, care and control of the, 20, 105
 — vagabonds, 3
 CONSUMPTIVES, nursing of, 74
 — pavilions for, 300
 — planning of sanatoria for, 299
 CONTROL of the consumptive, 25

- CONTROL of tuberculosis in Australia (Armstrong, W. G.), 115
- CO-ORDINATION of effort, 22
- CORFU, climate of, 48
- CORK Joint Hospital Board, 38
